Dear Author

I have received the comments from one of the reviewers and it appears that the paper could be considered for publication should it go under careful editing. We have a group of people who could do this and in case they do the editing your paper will be accepted. The cost of our service is \$700USD. However, it is not obligatory and you may use your own service. If you wish to use our service please let me know, otherwise, feel free to upload a high quality paper using the UPLOAD option. In case you wish to use our service, please let me know so that I could send you details of the payment.

Sincerely
 Farhang

Reviewer #1

This paper fits well to the scope of our journal and can be published after it is proof-read, for instance

Therefore, one of the important concepts in **operational management, supply chain management(SCM)**, has been widely used by companies to improve competitiveness and performance (Pujawan & Erawan, 2010; Prajogo & Olhager, 2012; Basheer et al., 2019). should become
